In thanksgiving for all that God has given, and in fulfillment of my promise to support the church by my prayers, my presence, my gifts, and my service, I make the following commitments to use my talents in response to Jesus' claim upon my life:

_____ I will pray daily for the church and its ministries.

_____ I will attend worship weekly unless prevented by illness or travel.

_____ I will be involved in some form of educational opportunity that will help me grow in my faith.

_____ I will be conscious of how I share my faith in the way that I live – so that others may see something of Jesus in me.

_____ I will find a place in the life of this church where I can share my gifts and abilities by volunteering to help in one or more of the ministries of the church. Please indicate below areas in which you would like to serve.
